- * .RS domains can be registered by both legal and natural persons. Number of domains per person is not limited any more. Legal persons can register .co.rs, .edu.rs, .org.rs and .rs domains (depending on the type of company/organization), and natural persons can register in.rs .rs domains. The news is that the foreign natural and legal persons can also register .rs domain. It is necessary that the administrative contact, which has all the authorizations related to the domain, must be a citizen of Serbia or a legal person based in Serbia.

- ** .ME domains is a national domain of Montenegro, but it can be registered by all natural and legal persons throughout the world through authorized registrars. In the promotional period, for .ME domain, minimal registration was limited to 2 years, and since 01.10.2008, registration can be done for a period of 12 months.
