

Job in WebPortal Group

The company SBS from Kragujevac, which represents its own Internet, brand WebPortal, deals with creating web sites, Internet marketing and consulting. For the needs of our customers, we make creative solutions, primarily develop web applications, and provide consultancy services in the field of e-commerce and e-business. Due to further increase of the volume of business, we announce the need for personnel in the following positions:

- web designer
- php programmer
- flash designer

- graphic designer
 - sales manager
- The competition is open until the job places are filled. Motivation letter and detailed resume should be sent on e-mail address posao@webportal.rs with subject "the position you compete for".
